### **The Strauss Kahn Frame-Up: The Amerikan Police State Strides Forward**

The International Monetary Fund's director, Dominique Strauss-Kahn, was arrested last Sunday in New York City on the allegation of an immigrant hotel maid that he attempted to rape her in his hotel room. A New York judge has denied Strauss-Kahn bail on the grounds that he might flee to France.

President Bill Clinton survived his sexual escapades, because he was a servant to the system, not a threat. But Strauss-Kahn, like former New York Governor Eliot Spitzer, was a threat to the system, and, like Eliot Spitzer, Strass-Kahn has been deleted from the power ranks.

Strauss-Kahn was the first IMF director in my lifetime, if memory serves, who disavowed the traditional IMF policy of imposing on the poor and ordinary people the cost of bailing out Wall Street and the Western banks. Strauss-Kahn said that regulation had to be reimposed on the greed-driven, fraud-prone financial sector, which, unregulated, destroyed the lives of ordinary people. Strauss-Kahn listened to Nobel economist Joseph Stiglitz, one of a handful of economists who has a social conscience.

Perhaps the most dangerous black mark in Strauss-Kahn's book is that he was far ahead of America's French puppet, President Sarkozy, in the upcoming French elections. Strauss-Kahn simply had to be eliminated.
